

Safeguarding Newsletter

**SAFEGUARDING IS EVERYONES
RESPONSIBILITY**

Here's what has happened in the last month and what's to come!

Welcome to our safeguarding newsletter! We are thrilled to share with you the latest developments in our mission to embed safe, respectful and supportive environments within our Diocese.

Firstly, we would like to inform you all of our revised Safeguarding Framework Handbook. This document is in its final stages to be released.

The revision of the Safeguarding Framework has taken some time to complete as much thought and consideration was involved in this revision. Our goal was to create a document that whilst informative it was also user friendly.

A Handbook of Policies, Procedures, Guidelines

The revised Framework, A Handbook of Policies, Procedures, Guidelines and Resources will be distributed to Parishes in the short future.

We are currently focusing on our Diocese first ACSL Safeguarding Audit, which will take place the week of the 21st of July 2025.

Finally, we are continually working towards updating supports and developing more if you see a need or have an idea for a support that may benefit your parish community, please let our Office know.

Together, our efforts support the Diocese Safeguarding commitment. Thank you for your continued support!

Awareness

Increased awareness leads to a better understanding of an issue or cause, making it more likely for individuals to take action.

Awareness campaigns create a sense of urgency and motivate individuals to participate or support a cause they previously had little knowledge of.

Domestic or Family Violence

Is a day that we remember the people who have lost their lives to domestic and family violence.

Domestic and family violence happens when one person in a relationship hurts another or makes them feel unsafe and is a repeated pattern of behaviour.

If you or someone you know is experiencing domestic or family violence you can call 1800 RESPECT or 1800 737 732
